

Coronavirus updates

Due to Coronavirus we have now implemented extra safety precaution's, ensuring that we are cleaning all surfaces in our new separate waiting rooms after every patient so that no one is crossing over! Meaning that we are prioritising seeing our registered patients who need any sort of appointment, if you are currently in need of an appointment from us then don't hesitate to give us a call to book your appointment in.

We are currently focusing on a mental health campaign called 'Help us Help you' at Heywood Dental, inspiring people of all ages to reach out and get help if they are struggling with mental health.

Here is a photo of one of our displays giving patients information on the campaign and what services are available.
